Scholarship Application Procedure **(Grant and Aid)**

Funds for scholarships are based on need. We will communicate with you using the email address listed on your scholarship application.

To begin the process:

- Apply online at <https://online.factsmgt.com/signin/3FDP9>
- Pay a \$30 fee to the company
- Turn in your registration fee to the school office.

If you need help you may call FACTS at (866) 441-4637

How scholarships are determined:

- The scholarships will be awarded based on a needs related formula
- Scholarships will vary in amount and will be for partial tuition only
- If your income level is above \$60,000 you probably will not qualify
- If you have extenuating circumstances, you should fill in the essay section on the facts grant and aid application.
- You can call and discuss any questions with Jamie Travis (641) 344-6228, Joe Powers (641)782-0845, or Cindy Young (641) 344-4723 who are on our scholarship committee.
