The selection of a Christ-centered education is one of the most important decisions you can make for your family. Mayflower Heritage Christian School is a non-denominational Christian school ministering to Christian families in Creston and the surrounding areas in kindergarten through eighth grade.

As children view each academic area through the lens of God's Word and with the daily interaction of strong Christian teachers, quality education will follow. Mayflower Heritage Christian School would love to join in partnership with your home and church to establish a solid spiritual and academic foundation for your child!

Enclosed you will find enrollment information for your child. You will be pleased to know there is a discount for early registration and early full tuition payments. Our co-administrators, Karla Powers (641) 782-0846 or Cindy Young (641) 344-4723, would be more than happy to speak with you regarding any of your questions or concerns. Thank-you for considering Mayflower Heritage Christian School, we look forward to hearing from you.
